

WORKPLACE CHARGING SURVEY

We are exploring the option of providing Electric Vehicle (EV) workplace charging for employees and visitors. Please fill out the following survey if you already drive an EV or are considering purchasing/leasing one in the next three years. You can find more information about workplace charging (WPC) by visiting www.workplacecharging.com.

Name:

Email:

1. When are you considering getting an electric vehicle?

I already drive one

Within 6 months

Within a year

Within the next 3 years

I don't know

2. If you already have an EV, do you drive a

Battery electric vehicle (BEV)

Plug-in hybrid (PHEV)

I don't drive an EV or PHEV yet

3. If yes for #2, what is the electric range of that vehicle?

(You can use the EPA site to check this <https://www.fueleconomy.gov/feg/findacar.shtml>)

4. What kind of EV are you considering purchasing?

Battery electric vehicle (BEV)

Plug-in hybrid (PHEV)

I don't know yet

5. What is your daily commuting distance (one-way)?

Less than 10 miles

10-25 miles

26-50 miles

50+ miles

6. How many days a week do you usually drive to work at this location?

- 1 5
- 2 6
- 3 7
- 4

7. Could you charge your vehicle at your place of residence?

Yes

No

I don't know

8. How much would you be willing to pay for workplace charging and a dedicated parking spot?

less than \$10/month

\$10-20 / month

\$20-30 / month

\$30-40 / month

\$40-50 / month

\$50+ / month

I would only use workplace charging if it was free

9. Please choose the Workplace Charging (WPC) benefits that appeal/apply to you:

I need WPC because I can't charge at my place of residence

Extending my daily driving range

Preheating/cooling my vehicle

Dedicated parking spot

Environmental benefits of driving electric

WPC would make it easier for me to purchase/lease an EV

I don't need workplace charging

Convenience

10. On a scale of 1 to 10, with 1 being not important at all and 10 being very important, how important is it to have charging at your workplace?

11. Do you have any general comments or thoughts about workplace charging?
